#### **ADRIATIC LNG SUPPORTS SAN GIUSTO YOUTH CENTRE PROVIDING A SUMMER OF EDUCATION AND FUN FOR 450 CHILDREN**

Porto Viro - "Estate Ragazzi", the awaited summer entertainment program organised by San Giusto youth centre, has begun. The activity will be realised thanks to the economic contribution of Adriatic LNG, always focused on educational initiatives for children and kids of Polesine. As a matter of fact, for Adriatic LNG supporting in the present means investing in the future.

This year, San Giusto youth centre welcomes over 450 participants who will be entertained for 7 weeks, even 3 more than last year. In order to satisfy families' and children's requests, San Giusto's range of activities has been qualitatively and quantitatively widened, providing 32 different ones. Through sports, workshops and outdoor activities, children will be able to discover and learn more about the history, culture and nature of Delta.

The collaboration between Adriatic LNG and San Giusto youth centre in Porto Viro began in 2009. In addition to the summer entertainment program, Adriatic LNG contributed to the playground enhancement, to audiovisual and IT tools modernisation and to a double refurbishment aimed at the optimisation of youth centre spaces.

The support to San Giusto youth centre is part of Adriatic LNG social activities portfolio, which includes: the support to the association for disabled people, Down Dadi, which has allowed to open a playroom in Adria; the backing of voluntary organisations Luce Sul Mare and "i Calabroni" of Porto Tolle; the funding of "Fondazione ANT" for cancer prevention, together with the donations in favour of Porto Tolle civil protection.
